Typical project settings

Hospitality, outdoor leisure, F&B and mixed-use public spaces

Why Work With Sunnyward

02

A one-stop partner for furniture, customisation and sourcing coordination.

Our value is not just product supply. We help reduce decision complexity, improve fit-for-space selection and support execution with more realistic sourcing options.

• One-Stop Solution

From product selection to sourcing, customisation and delivery coordination for commercial spaces.

• Indoor + Outdoor Capability

Solutions across office, hospitality, F&B and outdoor leisure environments.

• Customisation

Support for booth seating, table tops, dimensions, finishes and project-specific requirements.

• Cross-Border Sourcing

Practical sourcing support across Taiwan and Malaysia for better flexibility and execution.

Customisation matters

Especially when timelines, layout constraints and brand fit all matter.

Case 1 - Workers' Dormitory

Project focus

Dormitory furniture solutions for sleeping, lounge and dining areas.

Key value

Delivered on time with strong project coordination, ensuring a practical and well-managed setup for daily living use.

Case 2 - NORA's Cafe

Project focus

A mix-and-match cafe concept requiring furniture coordination across dining and lounge areas.

Key value

This project required close coordination across 8 suppliers, with strong project control to achieve timely delivery and a unified final outcome.
